Takekoma Inari Shrine

One of Japan's three great Inari shrines

Revetments (Millennium Hope Hills)

Part of the rubble from the earthquake was recycled to build the hills. The photograph on the right is of an event to plant trees along the garden's perimeter.

## Eco-compact City

Rebuilding a friendly and environmentally-conscious community that people want to keep living in

## Tamuranishi Community Building - Taking Residents' Wishes Into the Future

The first collective disaster-prevention relocation in the region affected by the Great East Japan Earthquake, carried out at the initiative of the community residents.

Solar farm built on former agricultural land that could not be rehabilitated due to subsidence, etc. caused by the Great East Japan Earthquake. One of the largest in the earthquake-affected area.

Town declared open in July 2015
